INVESTMENT SHARES TAKE LEAD IN SHORT SESSION OF MARKET

Railway Issues Have All the Best of a Short Session; Rate at Which Trading Was Going on Would Have Been Big Session.

NEW YORK, Sept. 25.—The free absorption of investment shares, chiefly of the high class railways, was on the largest scale witnessed in many months and was the distinguishing feature of today's two-hour session in which transactions approximated 600,000 shares, or on a basis of 1,500,000 shares for the full day. The gains in railways were of a substantial character. Pennsylvania was the most active in its class, advancing 2 1/2 points to 114, while Canadian Pacific, Harriman, N. Y. Central, Baltimore and Ohio, gained from one to two points.

The inquiry for railways seemed to derive its chief impulse from banking quarters but commission houses with western connection also reported an increased demand. Bonds were strong with total sales, par value, \$2,900,000.

(By L. J. Overlock)

BOSTON, Sept. 25.—The situation

is a most peculiar one. Opinions as to the future were never more at variance. The safety of the situation is the degree of conservatism but it is only the man of courage who has made big money. Market continues strong in specialties. Railroads are doing better because of better earnings. There is a shifting of war stocks into rails and coppers and the latter will be bought right here for a big advance which is under way. They have accumulated big interests and the pressure to sell them is over. Day the coppers.

C. G. Gustafson of Des Moines, Iowa, Visits Local Merchants in the Interest of Taxing Mail Order Corporations.

The proper taxing of mail order business doing business in Arizona would bring into the state funds the sum of \$100,000 a year, according to C. G. Gustafson, a representative of the National Association of Business Men, who was here yesterday setting out the plan of the business men on a law which will be submitted to the legislature for an annual tax of 1 percent on all mail order business done from the states, and the money raised will go to the states furnishing the business. It is estimated conservatively that Arizona sends \$100,000,000 annually to mail order houses. Mr. Gustafson, whose home is in Des Moines, says the idea is meeting with hearty approval of business men of the country.

The bill was introduced at the last session of congress by W. H. Hine, a member of the twelve Illinois district. It is a bill "to provide a tax on all persons, firms or corporations engaged in interstate mail order business and for other purposes." The bill provides that each house doing a business of this kind shall keep an accurate record of sales during the year, according to counties in the various states, and that a tax of 1 percent shall be assessed by the federal government against such houses, who now pay no taxes in the communities from which they derive their business. The money thus raised goes to the state furnishing the business.

This will not only put a just tax on the business of mail order houses, and assess their proportion of the burden of taxation which they are not now paying, it is pointed out, but will also put them nearer on a footing with the retail merchant who bears an unusually heavy burden of taxation and local community expenses.

The Association of Business Men is carrying on this campaign largely through the Merchants Trade Journal, the official organ of the association, and its personal representatives who are visiting all sections of the country. It is estimated that in all states the mail order houses get from 20 to 40 percent of all the cash business. Local business men believe that in Arizona the per cent is nearer 40 than 20. The same estimate was made in Colorado where they figure that the Hindenburgh bill would add \$200,000 annually to the state funds.

The association also maintains a Washington bureau under the direction of J. C. Atchison, which gives diligent attention to all matters of national legislation in behalf of the retail merchant.

PLAYGROUNDERS ARE OFF TODAY IN BIG TOURNEY CONTESTS

Captains Meet at "Y" Early This Afternoon in Final Discussion; Gardner White Sox Lose Close Game to Muck Weighers.

The Gardner White Sox were defeated yesterday by the Assay Muck Weighers by a score of 6 to 5. This was a hard fought game and a fast one, considering the amount of ras chewing by the players. The inter-out was as intense as if they were playing for a valuable prize. The umpire held them down, however, and kept the game running in good shape. Duffy Lyons was there with the bat stick and made some fancy bunts but, it not been for the fence, he would have probably been running yet, for when he started for second to third in the fourth inning he got up so much speed that when he reached third base the force was so great he went on and hit on top of the fence and his captain had to send a bunch of men to loose him and administer first aid and lodge him back in the diamond again. After this thing went pretty smooth until the White Sox sluggers landed a ball in the out-field, in the first of the seventh, when Brown threw wild to third and the Assayers lost control of the ball, letting two men score. Then the Sox got another run, tying the score. The Assayers then got in and made one run by close playing in the last of the eighth and thereby left the White Sox to mourn the loss as a closely played game.

Score by innings: R H E
Assayers 0 0 1 0 5 1 0 1—6 8
White Sox 1 1 0 0 0 0 2 0—5 7

Two base hits: Riley, Stolen bases: R. Benton 2, Helbert 2, Hibble 2, S. Benton 1, Bowen 1, Oslario 1, Weissauer 1, Riley 1. Bases on balls: off Hammond 2, off Whiteside 4, off Halbert 2. Passed balls: R. Benton 2, Hammond 2. Line-up—Assayers: T. Hughes 3b, Stupp 1b, Halbert p, Benton 2b, Wertham ss, J. Hughes 1b, R. Benton c, Oslario H, Weissauer R, E. Brown rf.
Gardner: Hibble 1b, Bowen c, L. Hammond p, C. H. Lyons ss, Lyons R, Vietti 2b, Cosgrove 2b, Riley 3b, Lacey 1b, cf, Whiteside cf, p.

Game today at 11 a. m., Sacramento Cubs vs. Holbrook Grays. 2:30 p. m. Churn Drillers, Special vs. C. Q. Machine Shop. 4 p. m., Sacramento Savages vs. Gardner White Sox.
All captains are requested to meet at the Y. M. C. A. at 1 p. m. for final instructions regarding rules, regulations and schedule for the tournament which starts at 2:30 p. m. today. The captains and players are also notified to be on hand at 2 p. m. on the Star diamond for picture taking of all the teams, and a movie will be made of the game which is to be called at 2:30 p. m., between the Churn Drillers and the Machine Shop. The tournament will last about six weeks and eleven very strong teams will play. The league will be called The Twilight Baseball League. Each team will be given five games and at the end of the tournament the high teams will play it out. A box score will be run of each game. Two games will be played on Sunday, one at 2:30 p. m. and another at 4 p. m. The week-day games will be played at 2 p. m. on Mondays, Wednesdays and Fridays.

The Copper Queen company has spared no expense in making this baseball tournament a success and the playing boys have responded wonderfully by the interest they have taken. The object in view is to furnish a good clean pastime for every body without cost to anyone and to entertain the crowd the same as they would be entertained at any good ball game. The grounds are in good condition, equipped with a drinking fountain, electric arc lights and seating room for about three hundred people. The grandstand will probably be completed by Monday or Tuesday and every body and his friend is extended a free invitation.

Last Sunday over two hundred people witnessed the game and today probably more than four hundred will witness the sports of the Cedar diamond.
